

Gravesham Partnership Ethnic Minority
Achievement Team

Invite you to an interactive, hands on

Humanities Workshop

delivered by Stuart Scott of

Collaborative Learning

The Collaborative Learning Project is a network of teaching professionals developing and disseminating accessible talk-for-learning materials in all subject areas and for all ages. More information and a growing number of free activities can be downloaded from our website:

www.collaborativelearning.org

Practical Strategies, New Ideas, On line Resources
To help you include EAL learners in your classroom.
