Can You Move Like an Elephant?

A set of cards with pictures, photos and movement words to pair and match. You do not necessarily need the book to play with the cards. but we used it to support children reading the book and playing with animal toys. More details on this in the Core Texts booklet:

Basic principles behind our talk for learning activities:
Oracy in curriculum contexts!

Build on children's own prior knowledge.

Move from concrete to abstract.

Ensure everyone works with everyone else.

Extend social language towards curriculum language.

Provide motivating ways to go over the same knowledge more than once.

Good for all pupils!
Vital for EAL pupils!

If you don't get the chance to talk something through with others, you won't be able to write about it later confidently!
