Now available in Ukrainian!

Giant Turnip Bingo/Matching Pairs

To celebrate our partnership with Mantralingua in 2011, we produced a collection of Turnip Games to go with their Giant Turnip book. To start off, here are bingo/matching pairs cards for the vegetables and another for their growing sequence. The book is now available in Ukrainian so time to celebrate again.

Collaborative Learning = Oracy in Curriculum Context
makes challenging curriculum accessible.
improves social relations in the classroom.
provides scaffolding for exploratory talk.

If you don't have the chance talk it
through with others, you won't be able
to write about it confidently!

**Basic principles behind our talk for
learning activities:
Oracy in curriculum contexts!**

Build on children's own prior knowledge.
Move from concrete to abstract.
Ensure everyone works with
everyone else.
Extend social language towards
curriculum language.
Provide motivating ways to go over the
same knowledge more than once.
