

Macbeth Drama Task Cards

Teachers' notes

This activity could be used before starting the play or looking at related texts in detail, or also will make a good revision activity.

Pupils work in twos or threes. They can complete the activity either with or without a script. They should not take more than fifteen minutes.

Groups can then 'show' their work to other groups in turn or to the whole class.

Macbeth: Drama Task cards

Persuade someone to do something they think is bad.

Task 1

Break bad news to someone.

Task 2

Someone is very superstitious. Show how this makes them behave.

Task 3

Someone does something wrong to get what they really want.

Task 4
