Monkey Puzzle

At the moment we have provided nine picture cards and nine quotes cards which can be used for sorting, matching and sequencing.

Spread out one set of picture cards face down and another face up. Pick the upside down cards and match them. Then sequence the pairs in story order.

Or, spread a set of quote cards face down and a set of picture cards face up. Take turns to pick a face down card and match to its picture. Or you can do this the other way round. Then sequence the pairs.

We have also provided two lotto boards with pictures and two with quotes.

She hasn't got tusks
or a curly trunk.

She's brown and
furry and nice to
