

COLLABORATIVE LEARNING PROJECT

Do you want to extend the range of teaching and learning styles in your classrooms?

Do you want to increase exploratory talk?

Do you want to stretch the minds of your gifted and talented children?

Do you want to spend more time in sustained dialogue with individual pupils?

Do you want to include children new to English to the fullest extent and as soon as possible?

Do you want to increase opportunities for speaking and listening?

Do you want to improve social skills?

Do you want to stretch the minds of your gifted and talented children?

Do you want to make the curriculum more accessible?

Then why not try out some collaborative learning activities! Download for free as pdf files from:

<http://www.collaborativelearning.org>

We hope that you will be inspired to develop your own activities and....

join our network!!

We also run workshops to develop activities and offer training for schools.
COLLABORATIVE LEARNING PROJECT
Launched by the ILEA in 1983.
