

Do you want to extend the range of teaching and learning styles in your classrooms?

Do you want to increase opportunities for speaking and listening in your classrooms?

Do you want to include children new to English to the fullest extent and as soon as possible?

Do you want to s t r e t c h the minds of your gifted and talented children?

Do you want to improve social skills in your classrooms?

Then why not try out some collaborative learning activities! Download for free as pdf files from:

<http://www.collaborativelearning.org>

We hope that you will be inspired to develop your own activities and....

join our network!!

We also run workshops to develop activities and offer training for schools.
