

★ Quicklook at "Germ Warfare"

How to play *Germ Warfare*.

1. Play in groups of 3 or 4.
2. Shuffle the cards and place them face down on the table in the middle.
3. Players take turns to pick a card.
4. The group must decide if what the player has picked up is a 'clean' or 'dirty' card.
5. If the group decides the card is dirty, the player must pick up a germ.
6. When a player has four germs he/she is too ill and is out of the game

Designed originally for KS1, this activity is proving popular in secondary schools.
