

★ Quicklook at "RADIO CLUES"

A pairs game on the technical terms found in work on radio.

background music

as live

playlist

voice over

sound effects

DJ

jingles

transmission

I am measured in mega somethings.

I go out at a fixed time.

Most of us on here are in the top 30.

frequency

broadcast

I fly out from my transmitter in all directions.

I am a little rhyme you will remember well.

I am always around in a quiet way. I help to put you in the right mood.

broadcast

scripts

presenter

I sound well in charge.

You don't have to learn me by heart, but you have to read me with expression.

coconuts = horses hooves

I used to pop the discs on the player. I still do the patter.

You think I am talking to you now, but really I have already done my talking

When I speak you have to listen.
