

Rascally Cake

Pick a card.
Build a ghastly
cake and a
super tasty
cake.

Rascally Cake Games

Using cake templates and picture/word cards (half ghastly and half tasty) pick a card and decide where it fits to make up your cakes. Many ways to play but we made a set of word cards and a set of word and picture cards. We had two or three players and each player had a tasty and a ghastly cake template. Cards were placed upside down spread out or in a pile. Players took turns to pick a card and place it on their templates where it fits. With word cards you have room on the cake for up to three items in each category. With word and picture cards there is room for only one or two. If there is no space for the card place it back on the table (for the spread cards) or at the bottom of the pile for the piled cards. "Winner" was the first player to complete their tasty cake. The game is improved by the addition of new cake parts either ghastly or tasty. Please send us your new pictures.

Collaborative Learning = Oracy in Curriculum Context

makes challenging curriculum accessible.
improves social relations in the classroom.
provides scaffolding for exploratory talk.

It's empowering to talk an idea through
before you write about it!

Good for all pupils!
Vital for EAL pupils!

**Basic principles behind our talk for
learning activities:
Oracy in curriculum contexts!**

Build on children's own prior knowledge.
Move from concrete to abstract.
Ensure everyone works with
everyone else.
Extend social language towards
curriculum language.
Provide motivating ways to go over the
same knowledge more than once.

COLLABORATIVE LEARNING PROJECT

Project Director: Stuart Scott

We support a network of teaching professionals to develop and disseminate
accessible talk-for-learning activities in all subject areas and for all ages.

17, Barford Street, Islington, London N1 0QB UK Phone: 0044 (0)20 7226 8885
