# TEN IN THE BED STORYPROPS LOTTO PAIRS

I have tweaked this so that you can try out the pairs activity without having to photocopy the noises. I've added a book cover to make up the sets. I have made up four lotto boards for pictures. Would you also like noises lotto board or a mixture of noises and pictures?

I have constructed a track with a bed in the centre and mini animals to fit on the bed.

Good for all pupils!  
Vital for EAL pupils!

**Basic principles behind our talk for learning activities:**  
**Oracy in curriculum contexts!**

If you don't get the chance to talk something through with others, you won't be able to write about it later confidently on your own.  
Talk empowers writing!

Build on children's own prior knowledge.  
Move from concrete to abstract.  
Ensure everyone works with everyone else.  
Extend social language towards curriculum language.  
Provide motivating ways to go over the same knowledge more than once.

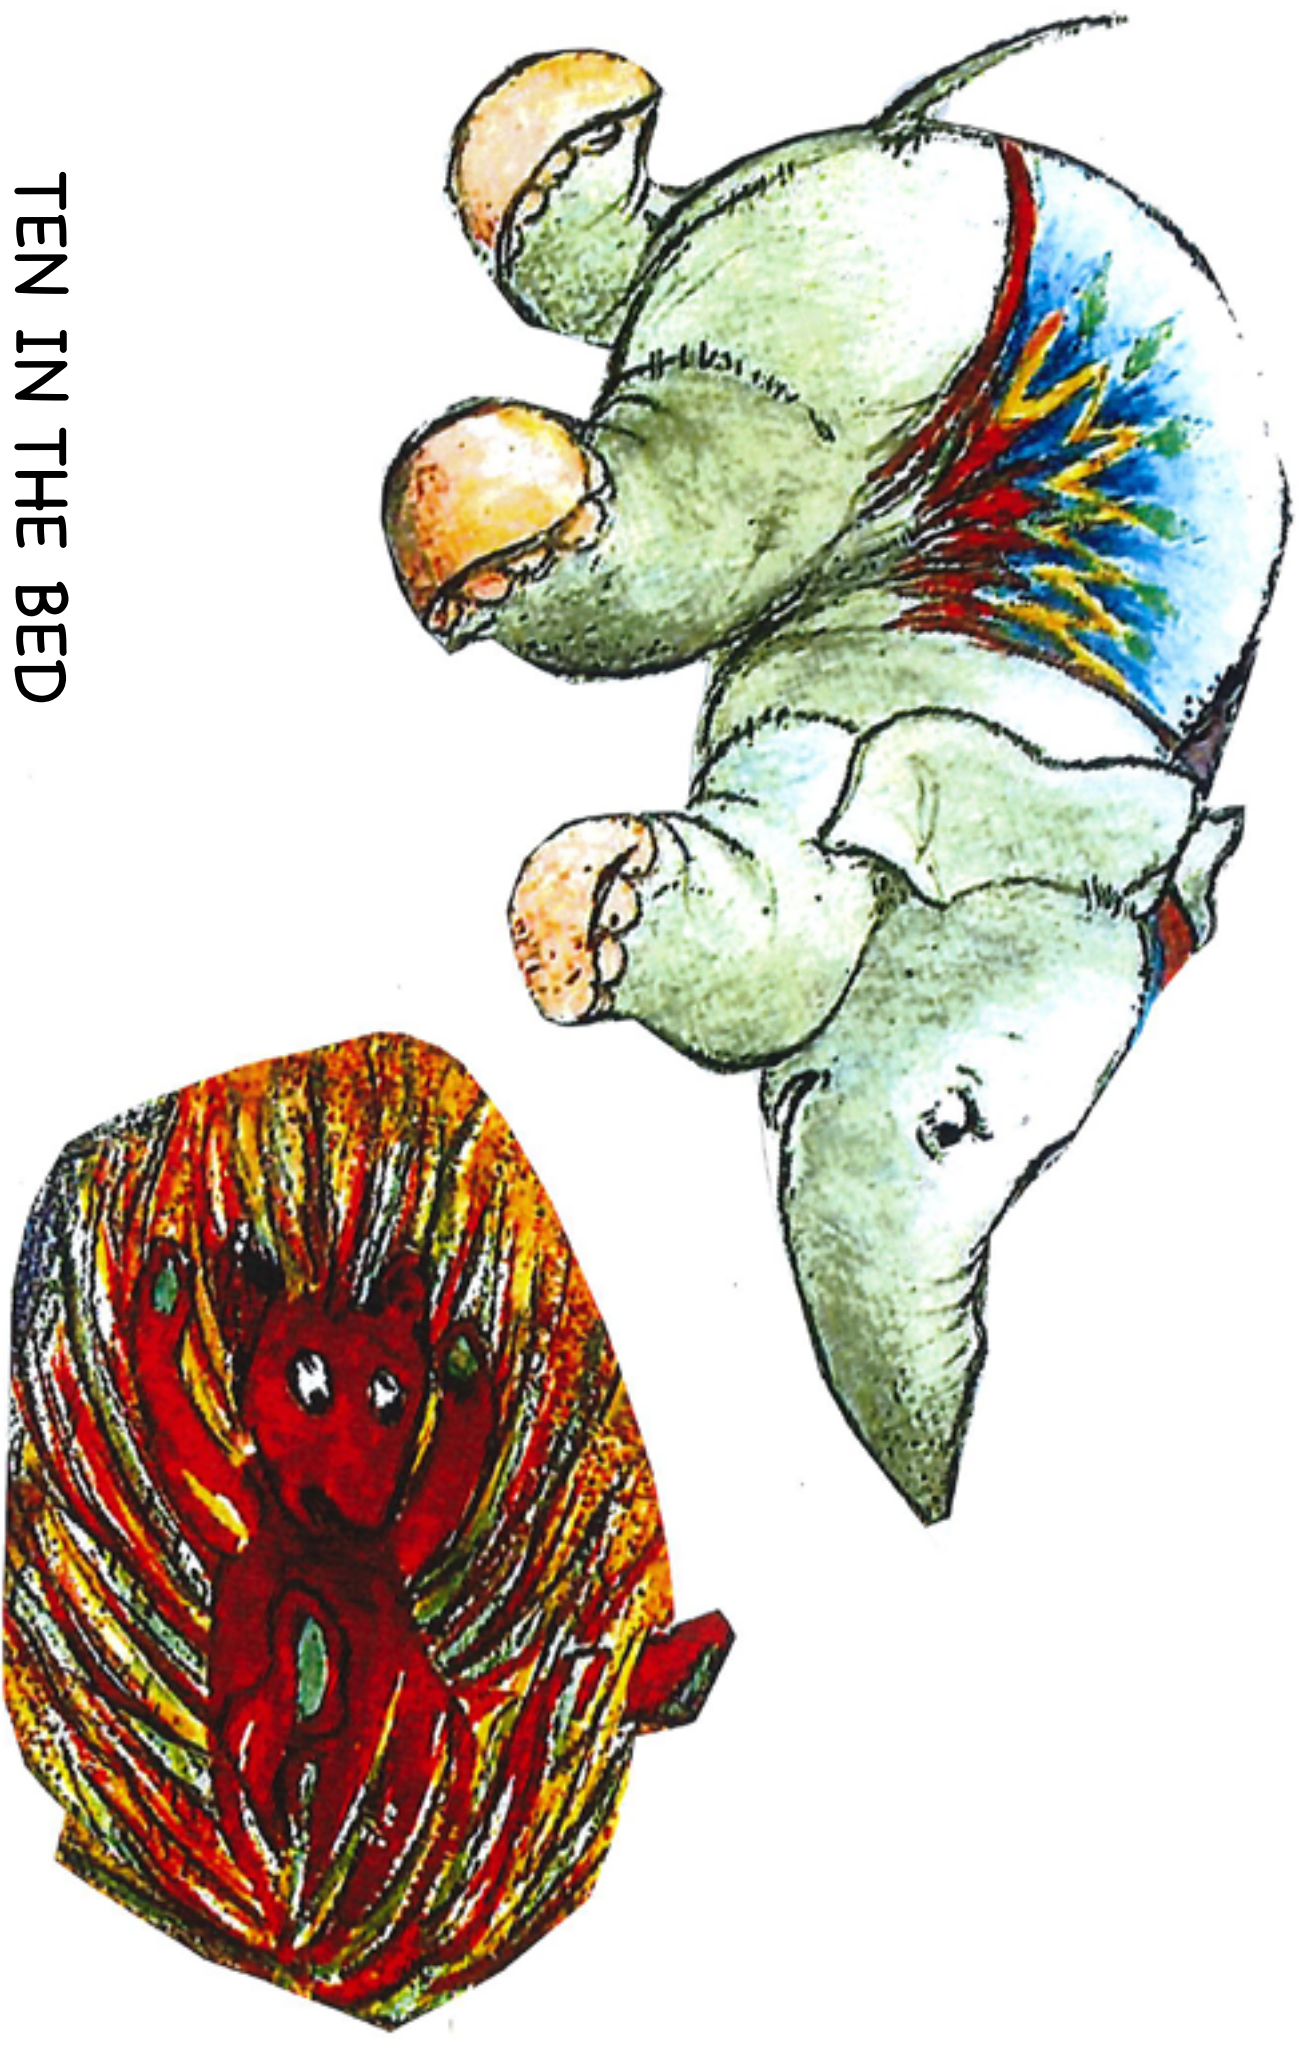

## TEN IN THE BED STORYPROPS

MUCH CHEAPER AND MORE INSPIRATIONAL THAN STORYSACKS  
(WE ACTUALLY CAME FIRST IN 1970s!) AND THEY WILL ENCOURAGE  
YOUR PARENTS TO KNIT OR SEW 3D PROPS

Storyprops: cut out characters which can be  
laminated and provided with a means of  
positioning and repositioning e.g. magnets, velcro,  
fuzzy felt

YOU CAN ALSO MAKE A FINGER SIZE RING OF  
LAMINATE, STICK IT ON THE BACK AND HEY  
PRESTO YOU HAVE FINGER PUPPETS OR...  
YOU CAN FIT HEADBANDS ON THE BACK OR YOU CAN  
STICK THEM ON LOLLY STICKS
